

## Frequent Questions

Why have individuals praying for me when I already have others praying for me?

*As believers, we are connected to others in the body of Christ, and we should be praying for one another. However, we also know that because of the busyness of our culture, others may or may not spend quality time praying for you. By quality time, we are talking about extensive time before the throne of God on your behalf, not only petitioning on your behalf but also quietness before God to hear His response. With Higher Life Intercession, a minimum of one hour is spent praying for you as well as hearing the Lord's response to our petitions on your behalf.*

Why should I pay for prayer when others pray for free?

*We are not just talking about casual prayers that are commonplace among believers. Higher Life Intercession is providing quality time of prayer on your behalf, a minimum of one hour. You also receive an intercessory assessment concerning your prayer time. Because of the skills, talents, and gifting of the prayer teams, compensation is warranted. Just as you honor other functions in the body of Christ, e.g., pastors, worship leaders, evangelists, missionaries, so you would honor those beseeching the Lord on your behalf personally. For many on our teams, prayer is their ministry. With compensation, they can focus the main part of their day on what God has called them to do and that is to intercede on behalf of you, the beneficiary of their intercession.*

Barry and Sandra Falkenstine, the founders of Higher Life Ministries and Higher Life Intercession, have been in ministry for over 27 years and minister internationally, apostolically and prophetically.

They have brought together teams of intercessors who are called, anointed, and equipped to hear from the glory realm on your behalf. Several of the intercessory teams are anointed to hear from God through dreams and are excited about receiving night revelation for you as well as prophetic words from God's voice as well as His written word.

## Ministry Overview

Welcome to Higher Life Intercession. This service of intercession is for churches, ministries, businesses, and families that are endeavoring to establish the Kingdom of God on earth as it is in heaven. As the culture of our society grows increasingly dark, the people of God are reflecting an ever increasing brightness.

It is a “now” time for all of God's people to move up to higher spiritual ground where we can find fresh anointing and revelation from God's heavenly realm. God's people need not fear during these challenging times, but we do need to come along side each other to pray for and to encourage one another. At the same time we need to gain revelation from God Himself to overcome current challenges. That is the purpose of Higher Life Intercession, to spend time in God's presence before His throne room of grace to find help during times of need....for you.

Higher Life Intercession is a prayer service that is an auxiliary component to your God given mission in life. An auxiliary gives assistance or support to help; it acts as a subsidiary or supplement; it is an individual or group that assists or functions in a supplementary capacity.

It is time for God's people to take their God appointed place in the end time harvest. The keys of prophetic intercession and sustained strategic prayer support can help you triumph at all times in your endeavors.

Whether you are leading a church, a ministry, a business, or a family, you need wisdom and revelation from on high—from the glory realm—to overcome. God is always speaking and He wants to relay to you strategies, insights, and wisdom that will always bring you through the challenges you face. Higher Life Intercession provides just that for you.
