TOUGH GUYS ministry exists to bring wholeness to men. We endeavor to remove the hindrances in men's lives that keep them from fulfilling their destinies as husbands, fathers and leaders in the Church and society. This is accomplished through life changing seminars, providing Biblically based tools for change, and personal ministry.

TOUGH GUYS ministry desires to be a supplement and support for local church men's ministries, not to compete. We believe all ministry should be to build the Kingdom of God in the lives of His people and ultimately in society.

The TOUGH GUYS ministry is a division of Higher Life Ministries.

TOUGH GUYS LEADER

Barry Falkenstine

Barry was the Senior Pastor of Christian Life Church in York, Pennsylvania for thirteen years. His receiving this pastorate was the culmination of twelve years of preparation by the Holy Spirit through study of the Word and sitting under the leadership of other men of God. Prior to entering full time ministry, Barry had been a Professional Civil Engineer.

Today, God is using him to equip, train and activate the people of God into their respective ministries. His heartbeat is to see God's people set free to be all that God has created them to be and to fulfill their purpose within God's eternal purpose.
